

Writing

Let's go to Bright Future in IT Jobs

Use the present perfect to make positive, negative and interrogative sentence for each number.

For example: The screen/go/blank

(+) The screen's gone blank.

(-) The screen has not gone blank.

(?) Has the screen gone blank?

1. The charger/stop/working
2. I/not/upgrade/the operating system
3. She/not/install/the updates
4. They/reinstall/the application
5. She/not/be able to fix the problem
6. I/defragment/your drive
