

Listening

Keep In Touch with The Internet

Listen and watch Youtube video on “How do I Connect to The Internet” from <https://youtu.be/93-3zmVvCGU>.

After you listen the video then answer the questions below!

1. Mention the reasons to set home internet connection!
2. Mention the type of internet connection from the audio and which one is the fastest?
3. What is ISP means? How does it work?
4. How are the steps to set up wireless connection?
